CAMP INFORMATION

INDIVIDUAL CAMP

Individual Camp will offer many different skill instruction and teachings. Players who attend individual camp will ultimately maximize their volleyball potential. We will tackle the skills of serving, passing, hitting, and much more. Evenings will be dedicated to competitively playing. Whether you are a setter, middle blocker, outside hitter, or Libero individual camp will improve your overall performance!

TEAM CAMP

Team Camp is a more structured program that focuses on team development and performance through training with high school teammates and competing against participating camp teams. There will be technical and tactical instruction from the Lander Volleyball staff within the camp days to enhance the overall performance of the team.

*Developmental Camp Available:
Call/Email for questions.*
